WGS GRADUATE CERTIFICATE - PLAN OF STUDY Information Worksheet

The purpose of this worksheet is to assist graduate students pursuing a certificate in WGS in planning and tracking their coursework. Students must complete two core courses: WGS 400 and WGS 490 or ENG 460. Students must also complete two elective courses from those listed on the back of this page.

CORE COURSES	Semester Planned	Semester Completed	Notes	ELECTIVE COURSES	Semester Planned	Semester Completed
WGS 400			WGS 400 is a self-designed Independent Study course that students arrange with an affiliated WGS faculty member. You can schedule this course any semester.	1.		
WGS 490 <i>or</i> ENG 460			WGS 490 is typically offered at least once a year in the spring . ENG 460 is typically offered at least once a year.	2.		

Please note that additional elective courses may be offered in any given semester. To see current course offerings, please visit: <http://wgs.illinoisstate.edu/academics/current/index.shtml>

Please note that WGS does not control the scheduling of some classes associated with the certificate because they are taught by faculty from other departments. When we say, **typically** offered, this is based on past experience. This does not predict future course offerings or schedules. Please plan accordingly by building flexibility into your plan. The WGS academic advisor can assist you with your planning: WGSAdvisor@IllinoisState.edu or 309.438.3286.
